

AIMS AND OBJECTIVES FOR FOWEY RIVER PRACTICE

PATIENT PARTICIPATION GROUP

PPG

AIMS

The aims of the group shall be:

1. To provide a forum for patients and practice staff to collaborate in planning new health services, developing existing services, and encouraging self-care and well-being.
2. To work together to ensure the best possible provision of medical services to patients.

OBJECTIVES

To meet these aims the PPG will:

- Regularly survey patients' views and discuss the findings at PPG meetings with practice staff
- Help implement decisions agreed between practice staff and the PPG.
- Encourage patients to take responsibility for their own healthcare and that of their family.
- Assist with the organisation of information sessions on medical and related topics of interest to patients
- Network with other PPGs and take part in training which might be beneficial to the group
